

Wood Protection Association
Benchmark Quality Approval Scheme:

Approved Flame Retardant Formulation

Approved Product: Hoover ExteriorFireX™
Other Names: Woodsafe WFX™
Sentrin FRX

Formulation type: WPA Type EXT (Exterior applications)

Approval Holder: Hoover Treated Wood Products, Inc.
154 Wire Road, Thomson
Georgia 30824 USA

Approval Scope: ExteriorFireX™ (or other listed names) treated wood and wood-based panel products, for which a valid reaction to fire classification report (EN13501-1) has been provided, for the particular species, thickness, profile, end use and method of installation.

Approval only applies when used in conjunction with a pressure impregnation process operating within the scope of a recognised quality assurance scheme such as the WPA Benchmark Scheme.
